The Family History Help Desk

If you are new to family history research, or are trying to find your way through the maze of information and resources, don't worry - expert advice and guidance to help you on your way is available.

The Family History Help Desk is open once every month in all five Knowsley libraries. It is run by a knowledgeable and helpful member of the Archive and Information Team.

Sessions are run on a drop-in basis. We will do our best to answer your questions on the day, but more complicated queries may need to be followed up after your visit or require an additional appointment.
