## The Family History Help Desk

**If you are new to family history research, or are trying to find your way through the maze of information and resources, don't worry - expert advice and guidance to help you on your way is available.**

The Family History Help Desk is open once every four weeks in all five Knowsley libraries. It is run by a knowledgeable and helpful member of the Archive and Information Team.

Sessions are run on a drop-in basis. We will do our best to answer your questions on the day, but more complicated queries may need to be followed up after your visit or require an additional appointment.
