

Kirkby town centre is changing, although the number of car parking spaces will largely be the same as currently provided. The locations of car parks will change as the construction of the new retail development progresses so we've created a handy new guide making your trip to Kirkby as straight forward as possible.

Construction of a new car park on the land south of Cherryfield Drive (former Golden Eagle) has been completed. Now that this car park is open, the car park on Telegraph Way 2 (former In Shops car park) and Hall Lane car park will close to enable the construction work to commence.

In addition, a new car park has been created on the former St Chad's clinic site and is now available to use.

KEY

- Long stay parking
- Short stay parking
- Permit only parking
- Disabled parking
- Pedestrian area
- Bus station
- Train station
- Public art
- Shops
